City/Town <b>Waterbury</b>	Date <b>9-11-17</b>	Signature and Title of Affiant <b>Ofc. E.A. #85 Patrolman</b>
Jurat	Subscribed and sworn to before me on (Date) <b>9/11/17</b>	Signed (Judge) 

The facts establishing the ☐ reasonable and articulable suspicion or ☒ probable cause are:

1. That the Affiant, Officer Christopher Donston, is a sworn member of the Watertown Police Department and has been a member of said department since 04/05/12, and at all relevant times mentioned herein was acting in his official capacity as a member of said department, and more particularly as a patrolman attached to the Patrol Division and as a result has personal knowledge of the facts and circumstances herein after related, and as the result of his own investigation and those of brother/sister officers acting in conjunction with him and reporting their findings to him.
2. That on 09/03/17, this Affiant spoke to complainant who reported a harassing website post regarding him and his family, reporting that there is a "child predator" on the loose. The post is titled "Public Service Message: Watertown." The post is dated September 3 2017. The post is on Wordpress.com and the URL is <https://familycourtcircusblog.wordpress.com/2017/09/03/public-service-message-watertown/>
3. That in the post, the author writes "there is a child predator on the loose in Watertown. He is acting in conspiracy with lawyers and judges of the Waterbury Family Court. His name is REDACTED (the complainant). He lives at REDACTED. His phone is REDACTED. He runs a business out of Oxford Airport called REDACTED."
4. That in the post, the author talks about the courts being paid to traffic children for adult pleasure. The author writes about the complainant using the court to separate the children from the mother, in what the author refers to as a child snatching ring. The author mentions that the complainant has a private aircraft and adds "a curious enterprise as pedophile rings never transport their inventory on commercial aircraft."
5. That in the post, the author reports that the complainant's two children were "sexually molested." In the post the author writes that "the perp for the sexual abuse was the son of the live in fiancée of REDACTED (the complainant)." The post goes on to specifically identify the fiancé by name and occupation. The author writes "her son, the alleged perp, (REDACTED NAME) is a sophomore at REDACTED High School."
6. That in the post the author writes "The people of Watertown have cause to be aware of what REDACTED (the complainant), (the sophomore) (and others) have pulled off. Parents whose children interact with the REDACTED (the complainants) girls or REDACTED (the sophomore) have reason to suspect evil motives and activities."
7. That in the post, the author writes that the two girls who were sexually molested attend REDACTED Elementary School. It is doubtful that the school psychologist, REDACTED, is aware of the evil dynamic invading the community or what repercussions it will have on classmates and their parents. What can Principal REDACTED tell parents about REDACTED (the complainant, while he sits in the PTA meeting?
8. That in the post, the author writes "If you get your hair done at the REDACTED salon or buy insurance for your private jet from REDACTED Aviation, Inc, you are helping to fund child trafficking, pay off judges, break the law, commit acts of terrorism and destroy any semblance of a civilized society. When evil lurks in the society to the point children are in danger, being silent serves no purpose. Be scared Watertown, be very scared."
9. That the post contains numerous picture of the parties involved, their businesses, school administrators, police officials, children, Judges and others involved in this case.
10. That the post was shared on Facebook for the general public to see. This has caused REDACTED (the complainant) and (the sophomore) great annoyance and alarm.
11. That to further investigate into this harassment, this Affiant is requesting basic subscriber information for the 09/03/17 post titled "Public Service Message: Watertown" on the page <https://familycourtcircusblog.wordpress.com/2017/09/03/public-service-message-watertown/>

☐ Continued on Application for Ex Parte Order to Disclose Telephone or Internet Records - Supplement, form JD-CR-176.
