

DOCKET: UWY FA 10 4022991

SUPERIOR COURT

WILLIAM GROHS (Deceased)

J.D. OF WATERBURY

v.

AT WATERBURY

KELLY GROHS

JULY 20, 2021

**MOTION TO DISQUALIFY**

*Ficeto, J*

Judge Anna Ficeto is moved to disqualify herself from any involvement in the instant case, as she is the proximate cause of constitutional due process violation as she maliciously and illegally allowed a deficient intervenor claim to proceed to hearing, where no controversy existed, being a gross violation of law, see *Manter v Manter*, 185 Conn 502. Further, Ficeto, J, issued summons to a near dead plaintiff who she knew was dying in hospice care in a hospital ICU. Ficeto, J, cannot uphold ethics of Canon, by sitting in review of her own errors for hearing scheduled for 8/20.

Wherefore, justice requires Ficeto, J be disqualified.
