Defendant Present. Defense Counsel Present. GAL Present.

The following order is entered in the above matter:

ORDER:

The Court has received credible evidence indicating the mother is suffering from a condition which impairs her judgment and ability to accurately perceive reality. This condition specifically impairs her perception regarding the parties' minor child. Based on this evidence the court issues the following temporary orders:

1. The father has sole physical and legal custody of the minor child, Leonardo F. Tiberi (DOB: March 31, 2015.)
2. All access between the mother and the child is suspended.
3. The mother must stay 100 yards away from the child, his school, the location of Leo's soccer program, the home of the father, and the home of the paternal grandparents.
4. These orders may be reconsidered on the next date of trial, presently scheduled for March 15, 2022.
5. If mother appears for the March 15, 2022 trial date, she will have an opportunity to be heard on any pending motions, to present the court with trial evidence and be heard on the continuation or suspension of these temporary orders.
6. All parties and counsel will receive a signed copy of these orders with all fees waived.
